About this Guide

It is important that you read this Financial Services Guide (FSG). This FSG will provide you with an understanding of who we are, the services and product we provide, what to expect from your interactions with us, including when or if you can expect to receive a product disclosure statement (PDS) or other documentation, how to contact us, how we are paid, our business relationships, details of any potential conflicts, and information on our procedures for dealing with disputes and how you can access those procedures.

This FSG is designed to assist you in deciding whether to use any of the services offered by Responsible Investment Services Pty Ltd (ABN 77 630 578 200; AFSL Representative No. 001298392) (**RIS**), a corporate authorised representative of Simple Financial Choices Pty Ltd (ABN 58 629 890 900, AFSL 537642) (SFC), and also to inform you about remuneration that may be paid to RIS in relation to the services offered.

RIS is the promoter and investment manager of Grosvenor Pirie Master Superannuation Fund – Series 2 (ABN 32 367 272 075) (**GPMSF-2**).

About Us

Our mission is to measurably impact, transform and improve the lives of generations of Australians to help them take charge of their money, make better choices and interact with their financial goals in a new way. Through technology, products and services we want to change the way Australian workers get paid, manage their money and embrace ownership of their future.

No Paper!

Our communications with you about our products and services are fully digital. By asking us to provide financial services to you (including by applying for a financial product), you agree to receive communications in digital form only.

Why you should read this document

This FSG contains important information that will help you decide whether you should choose RIS to provide you with general financial advice in relation to the sub-funds of GPMSF-2. It covers:

- The services and products we are authorised to provide you with;
- How RIS is paid for providing you with those services;
- How you can lodge a complaint with us and external parties if you are unhappy about something; and
- The compensation arrangements which we have in place.

What services are we authorised to provide?

RIS is authorised by SFC to:

- Provide general financial product advice on, and arrange to deal in, superannuation and life insurance products to retail and wholesale clients; and
- Arrange to deal in basic deposit products, managed investment schemes and securities, to wholesale clients.

When providing services around the promotion of the sub-funds of GPMSF-2, RIS acts on behalf of SFC.

General Product Advice Only

It's important to note that any advice we provide to retail clients will only be general product advice, and won't take into account your personal financial objectives, situation or needs. So, before acting on any general advice, consider whether it's appropriate to your personal circumstances. We may give you general advice in writing, over the phone, on the website, on the App, via email, mail or social media platforms, or at events.

In the event that you have any doubt or uncertainty in relation to a financial product, we recommend that you should always seek independent personal advice from an experienced financial adviser licensed to provide personal advice before you decide to invest in any financial product. If you do not obtain personal advice, you face a greater risk that the financial products you select will not fully take into account your objectives.

Product Disclosure Documents

When we provide information to you about the financial products we promote, refer or distribute, we'll give you a Product Disclosure Statement (PDS) and other relevant disclosure documents related to the product. These documents contain important information about the financial product, including its key features, fees, benefits and risks. They will help you make an informed decision about a product, so read the relevant PDS or disclosure documents carefully.

Instructing Us

You can contact us directly with any instructions relating to the financial products we promote. This includes giving us instructions electronically or by phone or in writing. We will need to be satisfied that we have verified your identity before proceeding. We will ask you to confirm your instructions via recorded phone call, online or in writing. You can ask us for a copy of this instruction at any time.

Advisor fee

If you have a financial adviser and you would like them to receive a commission or advice fee paid from your account in one of the sub-funds of GPMSF-2, the amount of this fee will be negotiated independently between you and your adviser. You should ensure that you always receive a Statement of Advice when receiving personal financial advice from a financial adviser. You may inform us at any time in writing using the contact details below if you want to remove any advice fees from your account.
